REPORT FROM CLOSED SESSION

- 8.* BOARD CONSIDERATION AND APPROVAL OF SIDE LETTER TO THE 2022-2024 MOU BETWEEN THE DISTRICT (CCMVCD) AND LOCAL 1021 SERVICE EMPLOYEES' INTERNATIONAL UNION** – Human Resources and Administration Manager Stark and Michael Jarvis, LCW, met with Ronald Collins and Josiah Branaman (SEIU 1021), and Shaun Redman, Brandon French and Chris Doll, represented employees, on January 6, 2025 to clarify questions regarding the new classification of Vector Control Technician and how current Vector Control Inspectors promote to that classification, and whether they would need to serve another probationary period. To clarify that so that employees could take the certification exams and promote to that classification without serving another probation, SEIU 1021 and the District drafted the attached side letter. (*Page 24*)

- 9.* BOARD CONSIDERATION AND APPROVAL OF RESOLUTION 25-1 – RESOLUTION OF THE CONTRA COSTA MOSQUITO AND VECTOR CONTROL DISTRICT TO APPROVE TERMS OF EMPLOYMENT FOR LOCAL 1021 SERVICE EMPLOYEES' INTERNATIONAL UNION** - The District and SEIU Local 1021 started negotiations for a new contract on May 8, 2024. Since the first meeting the District made it very clear that there were some key issues that the District wanted to discuss. After more than 7 months of negotiations, and SEIU's unwillingness to move or negotiate the key issue of the disciplinary procedure, the District presented a Last Best and Final Offer (LBFO) on November 24, 2024, which was not accepted by SEIU Local 1021. The District formally declared an impasse in writing on December 13, 2024. After exhausting all impasse procedures, the District is seeking to impose terms of employment from the LBFO. (*Pages 25-57*).

Recommendation – Approve and adopt Resolution 25-1.

10.* BOARD COMMITTEE REPORTS AND RELATED ACTION ITEMS

A.* Personnel Committee Report – the Personnel committee met on February 3 and Chair Cowen will present a brief report.

- i.* Board Discussion and Approval of Updated Job Descriptions and Title Changes for the following classifications: Public Information and Technology Officer, Public Affairs Director, Program Supervisor (title change to Operations Supervisor), Scientific Programs Manager, Vector Ecologist I (title change to Vector Ecologist), Vector Ecologist II (title change to Senior Vector Ecologist), and IT Systems Administrator - Human Resources and Administration Manager Stark has been working on updating all job descriptions in preparation for a salary survey. The following job descriptions have been updated to more accurately reflect the work currently performed by those classifications. These have been discussed and reviewed by the Personnel committee, and the committee is recommending their approval. (*Pages 58-78*)

Recommendation – Approve the updated job descriptions and changes in titles as specified above.

- ii.* Board Discussion and Approval of Elimination of the Classifications of Mechanic II and Mechanic/Technician - The classification of Mechanic II has been unfunded since the retirement of the mechanic in March of 2019, at which point the position of Mechanic/Technician was created in an attempt to combine the tasks of a mechanic with those of a technician, as the mechanic job could no longer fulfill a full-time job. That position has been vacant and unfunded since October 2021.

Recommendation – Approve the elimination of the classifications of Mechanic II and Mechanic/Technician.

B. Budget Committee Report – the Budget committee is scheduled to meet immediately prior to the Board meeting to discuss the capital project budget and funding. Chair Marker will present a brief summary of the meeting.

11.* BOARD CONSIDERATION AND APPROVAL OF 2025 COMMITTEE MEMBERS – Trustee Mereddy would like to be a member of the Advance Planning and Audit committees instead of Advance Planning and Budget committees. (*Page 79*)

Recommendation – Approve the 2025 roster of Trustee Committee members.

12.* BOARD DISCUSSION AND APPROVAL OF BOARD POLICY REGARDING AB 2561 – AB 2561 was signed by Governor Newsom on September 22, 2024, and it creates

a new obligation for public agencies to publicly address the status of their vacancies. AB 2561 requires public agencies to present the status of their vacancies and recruitment and retention efforts at a public hearing before their governing body at least once a year, and prior to the adoption of a final budget for the fiscal year. This policy addresses the requirements of the bill. (*Pages 80-85*)

Recommendation – Approve the Board Policy Regarding AB 2561.

13. CLOSING COMMENTS - This time is reserved for comments by Board members and/or staff and to identify matters for future Board business.

A. Board – None.

B. General Manager – General Manager Macedo reminded the Trustees with current training assignments to complete the training online as soon as possible. In response to questions from Trustees regarding avian flu, Dr. Macedo stated that data shows that the H5 strain is widespread in wild birds and has caused outbreaks in domestic poultry flocks and dairy cows, with several recent human cases in the U.S. Current public health risk is low, but it is being closely monitored by the U.S. Centers for Disease Control. Most human cases of avian flu in California were due to working closely with cattle, although one case is of unknown origin. The District could be asked to participate in dead bird testing. The avian flu outbreak is causing a shortage of chickens available for the sentinel chicken program, and the California Department of Public Health (CDPH) is working to find potential sources for chickens this year. DR. Macedo also reported that there have been 523 cases of dengue in California in 2024, 18 of which were locally acquired infections.

C. Staff – Staff reports were provided in the packet. Financial Administrator Martini reminded Trustees that Form 700 Statements of Economic Interests is due by April 1, 2025 and should be filed using NetFile.

The committee will then work with the consultant on each section of the manual and the final product will be reviewed by the committee and then presented to the Board.

8.* BOARD APPROVAL OF CORRECTED SALARY RANGE FOR THE CLASSIFICATION OF VECTOR CONTROL TECHNICIAN – At the November 2024 Board meeting, the Board approved the new classification of Vector Control Technician (VCT), job description and salary range. The approved salary range for the VCT classification in November was \$6,965.21 to \$9,334.04. The correct range is shown below:

	VCI	VCT
Step 1	\$6,898.87	\$7,243.81

14.3. Severance Upon Layoff

A regular full-time employee shall receive one (1) month's severance pay upon being laid off.

Article 15 - Discipline Procedure

15.1. Employee Representation

Employees may have a representative present at all stages of the disciplinary process, provided the representative is not a party to the action. When an employee is required to meet with a supervisor or manager and reasonably anticipates that such meeting will involve questioning leading to disciplinary action (i.e., an investigatory interview), upon request, the employee is entitled to have a steward or other representative present. Upon request, the employee is entitled to know the general subject of any meeting the employee must attend.

Employees can request and designate their representative/attorney at any step of the discipline procedure. The request or designation at any step of the discipline procedure does not prevent an employee from requesting or designating a different representative/attorney to appear on the employee's behalf at a subsequent step in the discipline procedure.

15.2. Progressive Discipline

The District applies the principle of progressive discipline where a disciplinary penalty will depend on multiple factors, including but not limited to the severity of the offense, recidivism, aggravating and/or mitigating circumstances, and the employee's overall disciplinary history, if any. In its sole discretion, the District may utilize whatever form of discipline is deemed appropriate under the circumstances, up to and including termination of employment. Disciplinary actions may be monetary and/or non-monetary. Examples of disciplinary action include, but are not limited to:

Warnings – Warnings may be verbal or written reminders relating to the District's policy and represent notice and an effort on the part of the District to assist employees with improving performance. Warnings may include confirmations of discussion, documented coaching and counseling meetings with written policy reminders, counseling memoranda, or performance improvement plans (PIP). Warnings are not subject to appeal.

Written Reprimands – Written Reprimands are not subject to appeal.

Reductions in Pay

Unpaid Suspensions

Employment Termination

15.3. Grounds for Discipline

Grounds for discipline include but are not limited to the following:

- Actual or threatened violence, harassment, and/or abusive treatment of the public or fellow employees.
- Conviction of a felony or conviction of a misdemeanor that adversely affects the employee's ability to perform the duties and responsibilities of the employee's position. A plea of guilty or a conviction following a plea of *nolo contendere* is deemed a conviction within this section's meaning.

The employee and the employee's representative will be given written notice of proposed disciplinary action at least seven (7) days before the date of the proposed disciplinary action.

Before the effective date of the disciplinary action that results in a pay reduction, unpaid suspension, or termination, the employee may request a Skelly meeting to discuss the proposed disciplinary action. The employee or their representative may respond to the proposed disciplinary action.

If the District decides to proceed with disciplinary action after the Skelly meeting, the Skelly Officer will prepare a Notice of Discipline that includes the facts, the discipline imposed, and the employee's appeal right.

15.5. Appeals of Suspensions Eighty (80) hours or Less

An employee or their representative may appeal reductions in pay or unpaid suspensions of eighty (80) hours or less directly to the mediation by notifying the Human Resources and Administration Manager within seven (7) days of the issuance of the Notice of Discipline by the Skelly Officer.

If the employee or their representative requests mediation, the Human Resources and Administration Manager will request a mediator from the California State Mediation and Conciliation Services. Copies will be sent to the parties. The Administrative Law Judge's decision is final.

Assembly Bill No. 2561

CHAPTER 409

An act to add Section 3502.3 to the Government Code, relating to public employment.

[Approved by Governor September 22, 2024. Filed with Secretary of State September 22, 2024.]

LEGISLATIVE COUNSEL'S DIGEST

AB 2561, McKinnor. Local public employees: vacant positions.

Existing law, the Meyers-Milias-Brown Act (act), authorizes local public employees, as defined, to form, join, and participate in the activities of employee organizations of their own choosing for the purpose of representation on matters of labor relations. The act requires the governing body of a public agency to meet and confer in good faith regarding wages, hours, and other terms and conditions of employment with representatives of recognized employee organizations and to consider fully presentations that are made by the employee organization on behalf of its members before arriving at a determination of policy or course of action.

This bill would, as specified, require a public agency to present the status of vacancies and recruitment and retention efforts at a public hearing at least once per fiscal year, and would entitle the recognized employee organization to present at the hearing. If the number of job vacancies within a single bargaining unit meets or exceeds 20% of the total number of authorized full-time positions, the bill would require the public agency, upon request of the recognized employee organization, to include specified information during the public hearing. By imposing new duties on local public agencies, the bill would impose a state-mandated local program. The bill would also include related legislative findings.

The California Constitution requires local agencies, for the purpose of ensuring public access to the meetings of public bodies and the writings of public officials and agencies, to comply with a statutory enactment that amends or enacts laws relating to public records or open meetings and contains findings demonstrating that the enactment furthers the constitutional requirements relating to this purpose.

This bill would make legislative findings to that effect.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement shall be made pursuant to these statutory provisions for costs mandated by the state pursuant to this act, but would recognize that a local agency or school district may pursue any available remedies to seek reimbursement for these costs.

Vote: majority Appropriation: no Fiscal Committee: yes Local Program: yes

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. The Legislature finds and declares as follows:

- (a) Job vacancies in local government are a widespread and significant problem for the public sector affecting occupations across wage levels and educational requirements.
- (b) High job vacancies impact public service delivery and the workers who are forced to handle heavier workloads, with understaffing leading to burnout and increased turnover that further exacerbate staffing challenges.
- (c) There is a statewide interest in ensuring that public agency operations are appropriately staffed and that high vacancy rates do not undermine public employee labor relations.

SEC. 2. Section 3502.3 is added to the Government Code, to read:

3502.3. (a) (1) A public agency shall present the status of vacancies and recruitment and retention efforts during a public hearing before the governing board at least once per fiscal year.

(2) If the governing board will be adopting an annual or multiyear budget during the fiscal year, the presentation shall be made prior to the adoption of the final budget.

(3) During the hearing, the public agency shall identify any necessary changes to policies, procedures, and recruitment activities that may lead to obstacles in the hiring process.

(b) The recognized employee organization for a bargaining unit shall be entitled to make a presentation at the public hearing at which the public agency presents the status of vacancies and recruitment and retention efforts for positions within that bargaining unit.

(c) If the number of job vacancies within a single bargaining unit meets or exceeds 20 percent of the total number of authorized full-time positions, the public agency shall, upon request of the recognized employee organization, include all of the following information during the public hearing:

(1) The total number of job vacancies within the bargaining unit.

(2) The total number of applicants for vacant positions within the bargaining unit.

(3) The average number of days to complete the hiring process from when a position is posted.

(4) Opportunities to improve compensation and other working conditions.

(d) This section shall not prevent the governing board from holding additional public hearings about vacancies.

(e) The provisions of this section are severable. If any provision of this section or its application is held invalid, the invalidity shall not affect other provisions or applications that can be given effect without the invalid provision or application.

(f) For purposes of this section, "recognized employee organization" has the same meaning as defined in subdivision (a) of Section 3501.

SEC. 3. The Legislature finds and declares that Section 2 of this act, which adds Section 3502.3 to the Government Code, furthers, within the meaning of paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the purposes of that constitutional section as it relates to the right of public access to the meetings of local public bodies or the writings of local public officials and local agencies. Pursuant to paragraph (7) of subdivision (b) of Section 3 of Article I of the California Constitution, the Legislature makes the following findings:

It is in the public interest, and it furthers the purposes of paragraph (7) of subdivision (b) of Section (3) of Article I of the California Constitution, to ensure that information concerning public agency employment is available to the public.

SEC. 4. No reimbursement shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code for costs mandated by the state pursuant to this act. It is recognized, however, that a local agency or school district may pursue any remedies to obtain reimbursement available to it under Part 7 (commencing with Section 17500) and any other law.
